*Hi Mani, It's been a great pleasure working with you for the past year. I've been impressed with the tremendous improvement you have done to our pharma reporting system and it has made our lives much easier. I also greatly appreciate your prompt response in finding my TB data and resolving my bugs! I wish you the best in your future endeavors.*

*Kyle*

*I want you to know that you have made such a strong impact on my career development and have been an incredible mentor for me since the day you started. It's so rare to find someone with the perfect balance of technical expertise, enthusiasm for the project, & generosity in helping others. Learning from you has been the greatest gift and you should know that you absolutely deserved to stay.*

*Allysia*

*Thank you so much Mani for all of your support for our team. we will miss you! Best of luck in your next adventure!*
